Waiver of Liability

The race organisers shall not be liable for any loss, damage, death or personal injury howsoever caused to the owner/competitor, his skipper or crew, as a result of their taking part in a race or races sailed in this programme. Moreover, every owner/competitor warrants the suitability of his boat for the race or races. Further, a boat is entirely responsible for its own safety, whether afloat or ashore and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility. It is for the boat to decide whether it is fit to sail in the conditions in which it will find itself. By launching or going to sea, the boat confirms that it is fit for those conditions and that its crew is competent to sail and compete in them. The boat is required to hold adequate insurance and in particular to hold insurance against third party claims of at least £2m. Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping run the race and the event and include the organising authority, the race committee, the race officer, patrol boats and beachmasters. The provision of patrol boats does not relieve the boat of its responsibilities.

I have read and understand the Notice of Race (as per EWCC Regatta 2008) for the 15-16/ 17-18 / 23-25 August Regattas and agree to be bound by its contents.
