

Mermaid Chartering Companies Challenge – 2010

Sail for pleasure; race to win – at Sea View Yacht Club.

We hold great pride in our fleet of Seaview Mermaids and in how flexible they are - either allowing total beginners a great day afloat in comfortable surroundings, or providing amazingly close racing for experienced sailors.

Mermaids lend themselves to all situations thanks to their strict one-design status; and all being Club-owned means that there are no owner tweaks that you find in other one design fleets. It is just you versus the others! The boats are all the same, apart from the colour on the outside of course!

This particular challenge series however is only open to experienced sailors, and you do not have to be a current Mermaid Charterer. It will feature Committee Boat starts and high quality courses. Entries will be restricted to a maximum of 2 boats per company, with 3 people per boat and a maximum of 18 boats per event. Locally sourced helms will only be permitted if they are part of your company. Our own helms will however be around to give advice prior to going afloat if needed.

There are two dates to choose from - either **Monday 10th May 2010** or **Tuesday 8th June 2010**. The cost for the day is just £285 Ex VAT per boat. This will cover all the usual facilities for a minimum of 3 races per crew. Lunch will be provided for each crew member plus tea and cakes at a prize giving, and we are offering a trophy for the winning team.

If you would like to accept this challenge, please complete and return the form below. I will then forward you the Notice of Race (plus a pro-forma invoice, should you need one).
